How to hire

The difference is what you receive: a complete solution, direction on a challenge, consulting, or a one-off deliverable.

A

Package

An integrated solution with defined deliverables from start to finish. For clients who need the complete result, with one person leading the direction.

E.G. ESSENTIAL CAMPAIGN

B

Strategic service

Direction, concept and supervision of a specific challenge. The focus is the idea and the visual language; production and roll-outs are quoted separately.

E.G. CREATIVE DIRECTION FOR EVENTS

C

Creative consulting

Experience and vision to unblock a challenge, review a project or guide a team — as a structured sprint or one-off sessions.

E.G. ART DIRECTION SPRINT

D

Reference table

Individual deliverables with a defined scope and client-supplied content. Starting ranges for one-off pieces.

E.G. SALES LANDING PAGE

WORKING MODELS

Agency partnerships

Senior support for the agency team, per job or on a recurring basis.

Direct projects

For companies, brands, producers and events — from one piece to a full project.

Creative consulting

Sprints, project reviews, team guidance and mentoring.

02

Packages

Three kinds of project where art direction makes the biggest difference — defined deliverables, one person in charge.

PACKAGE 01

Essential Campaign

R$ 8.000–15.000

Creative concept, master key visual, visual system and an initial set of roll-outs.

INCLUDES

- Brief and goals immersion
- Concept and master key visual
- Campaign visual system
- Initial roll-outs

Video production, media and large adaptation volumes quoted separately.

PACKAGE 02

Business Presentation

R$ 7.000–14.000

A sales or investor presentation, from diagnosis to final design.

INCLUDES

- Diagnosis of what needs selling
- Narrative structure
- Information architecture
- Art direction and design

Unlike the table item, the narrative is built together here. In the table, script and content arrive ready.

PACKAGE 03

Brand Experience

R$ 12.000–25.000+

Concept, narrative and art direction for an event, booth or activation.

INCLUDES

- Experience concept and narrative
- Art direction and visual language
- Applied visual system
- Creative follow-up

Technical drawings, engineering, renders, production and build quoted separately.

What a revision round is

A single, consolidated set of changes, sent at once by one person, on the delivered stage and within the approved brief. Changes sent in parts count as separate rounds.

What changes the scope

A new piece, format or version; new content; replacing an approved concept; a change of goal or audience; changes beyond the agreed rounds.

2026 reference rates, subject to change without notice. Each project proposal details scope, deliverables, investment, timeline and terms.

Let's talk.
