PERSONAL STATEMENT

Art Director | Freelance Designer | São Paulo, Brazil

A creative professional with over 20 years of experience working in leading advertising agencies, specializing in art direction and graphic design for events, brand activations, and corporate communications.
Throughout my career, I have developed strong expertise in branding, visual identity systems, corporate stationery, and brand guidelines. As a freelancer, I've collaborated with a wide range of clients on corporate presentations, commercial proposals, and bidding processes.
With a strong passion for sports, I've had the privilege of contributing to large-scale projects such as the FIFA™ 2014 World Cup and the Rio 2016 Olympic Games. Additionally, I've gained international experience that has enhanced both my creative perspective and strategic thinking.
I am continuously seeking new challenges and opportunities to collaborate — particularly with studios and companies that view design as a powerful tool for innovation and impact.
Open to opportunities in Brazil and abroad.
